

Dear Friends,

“See Life Differently” is a sentiment that resonates from the moment you walk through the doors at *Anchor Center for Blind Children!* Anchor Center for Blind Children specializes in serving children during the most formative years of their lives, birth to age five, who are blind, have serious visual impairments, or have dual sensory (i.e.; visual and auditory) impairments. Founded in 1982, Anchor Center is one of the few nonprofit centers in the nation that specializes in vision services and early intervention.

On **Saturday, September 21, 2019**, we will hold our 23rd **Sunset in the Country gala**, hosted by Louisa and Bobby Jornayvaz at J-5 Equestrian Center. **As our largest annual fundraiser, this is a wonderful opportunity for you and your business to gain visibility through philanthropic marketing, reaching 600+ participants and guests!**

We respectfully request **a donation for our auction and/or gift certificates of \$25 or more**. Your gift will be used in our “Mystery Card” fundraiser or included in our Auction (featuring both silent and live), and will help us raise much needed funds for our families.

To participate and support our children, please mail your gift to:

***Anchor Center for Blind Children
2550 Roslyn Street
Denver, CO 80238***

Also, please complete and return the enclosed form along with your donation to receive the potential tax benefits for your in-kind donation.

Should you require pick up for your donation, please contact Kenedy Brazzell at (303) 377-9732, ext. 130 or at kbrazzell@anchorcenter.org.

On behalf of our families, thank you for your consideration of our request. We couldn't do it without you!

With gratitude,
