

## Frequently Asked Questions

This year, we're going virtual to keep our friends and community members safe! **The event will still be held on September 19, 2020.** Guests will hear from a featured speaker and have the opportunity to bid on amazing silent and live auction items in support of Anchor Center, all from the comfort of their homes OR their dinner table hosts' homes!

Here are some frequently asked questions to help you prepare for our annual signature event.

### **Q. Do I need to purchase a ticket?**

A. No, because we are virtual this year that means our event is free! We would like to request that you register in advance to let us know you will be attending. You can either watch from your home, or if your dinner host is holding a small gathering at their home, you can watch from there.

### **Q. Can only Denver residents attend?**

A. Anyone may attend via their phone or computer! One of the benefits of going virtual is that friends, colleagues and family from out of state may attend as well, so please share the invitation!

### **Q. How do I participate?**

A. On the day and time of the event, use the event link you will receive via registration to join. The silent auction and other bidding opportunities will open several days before the virtual event, so make sure you register well in advance to participate in early bidding.

### **Q. Do I need to dress up?**

A. If you have been invited by a dinner table host, check out their custom webpage for instructions on dress and other details for the evening. Otherwise, please sign-on and be dressed in any way that you prefer!

### **Q. Will dinner and drinks be involved?**

A. Again, if you have been invited by a dinner table host, refer to their webpage for details. Some hosts may opt to hold a small dinner party in their home. We encourage dinner hosts and solo guests to consider ordering from a local restaurant or [Footers Catering](#). **Footers is our preferred Sunset in the City catering vendor** and has put together a special menu just for our virtual gala and ready to be ordered! Whether your preference is a full meal, heavy hors

d'oeuvres, or just cocktails and snacks, Footers has a package of culinary delights to meet your needs.

**Q. How long will the virtual event last and what will be the format?**

A. The virtual gala will last around 45 minutes- 1 hour (tops!). Guests will hear from a featured speaker and have the opportunity to bid on amazing silent and live auction items in support of Anchor Center. More info to come on the program and schedule of events!

**Q. How will I bid on items?**

A. Prior to the event you will receive a guest registration email with links, tips and directions on how to participate in the bidding and events for the evening.

**Q. I won't be able to attend, how can I still donate?**

A. [Click here](#) to submit your donation. We are so appreciative of your gift.
