Zoom session (Thursday) will include peers sharing activities with one another and story reading aloud.

Materials: egg carton, construction paper, scissors, crayons or markers, paint, paint brush, stapler, tape, or glue stick, pipe cleaner (optional), googly eyes (optional)

Instructions:

Egg carton caterpillar:

Have an adult cut egg carton in half lengthwise and trim up as wanted. Paint or color the egg carton. Next, paint the eyes or use googly eyes on the head. Use a marker or to make the mouth. Pipe cleaners or small strips of paper to make the antenna.

Construction Paper Caterpillar:

Use construction paper or any type of paper and cut into 3½ inch strips. Next, tape, glue or staple into a circle. Then tape, glue, or staple the circles together to make the body. Cut out a larger circle to make the head. Use crayons or markers to put on the eyes and mouth (googly eyes are optional) and tape or glue onto the body. Cut 2 small strips of paper for the antenna (pipe cleaners are optional).

Target areas:

Fine motor: using writing utensils, scissors, paint (optional) to develop better finger dexterity
