Activity: Flower Button Art

This idea came from the best ideas for kids' website. This is a great fine motor activity and mother's day craft all rolled into one.

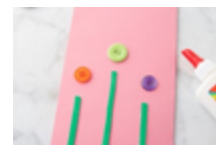

Materials: Colorful Cardstock, Green Foam Sheet, Scissors, Glue,

Instructions:

Step One: Fold cardstock in half

Step Two: Cut long stripes of foam for the stems, and glue on the cardstock.

Step Three: Glue one large button above the foam stem.

Step Four: Glue smaller buttons around the large button for flower petals.

Step Five: Glue green button for leaves beside the foam stems.
