

Author: **Dawn Brown, Early Childhood Teacher**

Date: May 5, 2020

Activity: **Transportation & Activities (part 1 of 4)**

Brief description of activity:

YouTube video includes: Audiobook of *Modes of Transportation*, airplane yoga, days of the week song, phonics songs, types of weather song, and Happy Numbers (math practice). I demonstrated how I put together a rocketship using shapes. [https://youtu.be/CT\\_drs3-Cy8](https://youtu.be/CT_drs3-Cy8)

Zoom session (Thursday) will include peers sharing activities with one another and story read aloud.

Materials: cut out shapes (mailed to students), glue stick, paper, crayons to draw stars (optional)

Instructions:

Glue shapes onto paper to make your own Rocketship!

Target areas:

**Fine motor:** using writing utensils, scissors, glue sticks to develop better finger dexterity while assembling a rocketship.

**Literacy and Music:** students will be able to develop their phonological awareness by clapping out syllables and expanding language through signing songs. Students will listen to a read aloud story time during Zoom session.
