FOR BLIND CHILDREN

See life differently

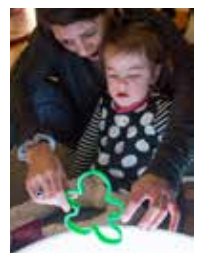

About Anchor Center

Anchor Center for Blind Children specializes in serving children during the most formative years of their lives, birth to age five, who are blind, have serious visual impairments, or have dual sensory (i.e. visual and auditory) impairments.

Founded in 1982, Anchor Center for Blind Children is one of a handful of nonprofit centers in the US specializing in serving young children with serious vision impairments as well as their families. Families of infant, toddler and preschool age children, as well as hospitals and doctors, turn to Anchor Center for our expertise in evaluation, therapies, training and special education. In fact, families have moved to Denver, Colorado, to enroll their child(ren) in Anchor Center's highly specialized and well recognized transdisciplinary programs.

With 40 years of service, Anchor Center has helped thousands of children reach critical early childhood milestones, very often catching up to the developmental milestones of their peers. Equally as important, Anchor Center has helped thousands of parents, grandparents and families gain knowledge, skills and confidence to support and nurture their child's life of exploration and education.

This is why Anchor Center for Blind Children exists. And this is why your sponsorship means the world to the more than 100 children and families that will be served by Anchor Center this year. Learn more and take a virtual tour at www.anchorcenter.org

Built in 2007, Anchor Center's school and therapy center is expressly designed for young children who are blind. It is a place filled with all forms of light and texture; a teaching tool in and of itself.

ReelWorks Event Center, located at
1399 35th St. Denver CO. 80205

About *Sunset in the City* *also known as Sunset in the Country*

Sunset in the City is a unique, invitation-only fundraiser for Anchor Center for Blind Children. Founded 27 years ago as a day in the country picnic, the event has grown to include more than 500 guests who gather for cocktails, dinner and live entertainment in an urban setting.

The event will be held at RiNo's ReelWorks Event Center on September 9, 2023, starting at 5:30pm. More than 40 volunteer table hosts design creative, individual table decor and centerpieces, ranging from extravagant to elegant and even whimsical. They set the stage for an awe-inspiring and fun atmosphere for our guests.

Guests will hear from a featured speaker and have the opportunity to bid on silent and live auction items in support of Anchor Center. We invite you to join us at the annual gala event of the year and **share in the magic as one of our treasured sponsors.**
