

Dear Friends,

“Feel the Love” isn’t just a saying at Anchor Center for Blind Children. It’s a sentiment that resonates from the moment you walk through our doors year-round.

Anchor Center for Blind Children teaches visually impaired infants, young children and families, providing hope and a nurturing environment where children reach their highest potential.

As part of our annual **Visions of Love** fundraising event on **Saturday, February 22, 2025**, Anchor Center respectfully requests your in-kind donation for our silent auction or to support event material needs. Your gift will be used in our fundraiser and will help us raise much needed funds. We hope we can count on you! **All businesses supporting Anchor Center will be recognized on signage at the event, providing you with marketing exposure to our event guests. We appreciate and welcome multiple donations as you are able; those totaling over \$100 will receive logo benefits.**

Visions of Love will be held at our beautiful learning facility located in Central Park. This event features fine wine and food pairings while showcasing our remarkable building and mission during this season of love. We expect to have approximately 250 guests.

To participate in this opportunity to support local visually impaired children and their families, please return the enclosed in-kind donation form along with your contribution. Gifts should be mailed to: Anchor Center for Blind Children, Attn: Savannah Wippel, 2550 Roslyn Street, Denver, CO 80238.

We understand our request is one of many you may receive. On behalf of the families served by Anchor Center for Blind Children, thank you for your consideration of supporting Colorado’s blind and visually impaired children!

With gratitude,

Savannah
Savannah Wippel
Development Director
